EXPERIENCE

- **Goldman Sachs** New York, NY
Engineering Summer Analyst
June 2023 - August 2023
 - Helped design a full-stack framework to add rebate functionality to Mosaic—a platform for institutional clients to invest in money-market funds.
 - Developed a front-end capability to help clients effortlessly add, edit, and save their rebate information using React.
 - Learned how to pull, commit, merge, and test code using GitLab.
 - Worked under the GSAM Liquidity Engineering team within Asset and Wealth Management.
- **NJ/NY Gotham FC** Harrison, NJ
Sports Analyst Intern
Jan 2023 - May 2023
 - Worked on a project to identify the key metrics of a winning team in the NWSL (National Women's Soccer League) with the underlying goal of understanding and anticipating emerging trends in the women's game.
 - Concluded that possession, team directness, and deep completions have a significant effect on goals scored and games won.
- **entropía.ai** Mexico City, MX
Data Scientist Intern
Jan 2023 - Jan 2023
 - Collaborated on a web scraping project to create a map of over 20,000 ITAM (Instituto Tecnológico Autónomo de México) alumni that are presently involved in entrepreneurship and/or startup culture.
 - Participated in mining and analyzing raw data, running automated programs to perform Google searches, cleaning text, searching for specific keywords, and classifying text using natural language processing techniques.
 - Gained a strong understanding of several Python libraries as well as tools such as Jupyter Notebook.

LEADERSHIP

- **SEO Career**
SEO Edge Participant
Nov 2022 - Present
 - Receive coaching and online instruction to achieve targeted interview, technical, and professional developmental goals.
 - Complete industry-specific training focused on developing technical skills, institutional knowledge, and attention to detail.
 - Learn business fundamentals to compete successfully for internship opportunities.
- **Harvard Colombian Students Association**
Co-Founder
Feb 2022 - Present
 - Founded a student organization to celebrate Colombian culture and build community.
 - Lead weekly board meetings to organize social, networking, and collaborative events.
 - Launch an 8-week summer internship program in Colombia through the David Rockefeller Center for Latin American Studies.
- **Harvard Men's Club Soccer**
Captain
Sep 2021 - Present
 - Commit 8 hours a week to the program through practices and games.
 - Manage social media accounts for greater alumni reach and future engagement.
